 "Henceforth know we no man after the flesh." These words of Paul in his second letter to the Corinthians are the Golden Text in the Lesson-Sermon on "Mortals and Immortals" on Sunday in all Churches of Christ, Scientist.

Among the Bible citations in the Lesson-Sermon are these verses from the book of Acts: "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; Neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things; . . . For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring."

Passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, state: "Mortal man is the antipode of immortal man in origin, in existence, and in his relation to God." "The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth, and Love. Immortal man is not and never was material, but always spiritual and eternal."

Bible Class to Hold Armistice Observance

Members of the Torrance Men's Bible class will hold their annual Armistice observance next Sunday morning, Nov. 12, at 9:30 o'clock in the Scout hall on El Prado.

All residents of Torrance, men and women, are invited to attend this yearly open meeting when the class pays tribute not only to the soldier dead of this nation but to God our mothers. A special program of musical numbers, songs and a talk by an outstanding speaker has been arranged.

OBITUARY

CHARLES WILLIAM HAYDEN . . . former resident of this city died last Friday as a result of injuries suffered in an automobile accident in San Bernardino. He was 22 years old, the son of Mrs. Mayme Hayden of Los Angeles. The young man was born at Fort Atkinson, Iowa. He was also survived by several aunts and other relatives in the east. Christian Science funeral services were held at Stone and Myers' chapel Tuesday afternoon with Mrs. Frank Steinhilber, reader, officiating. Interment followed at Forest Lawn, Glendale.

MARY L. WHITE . . . familiarly known to many Torrance and Lomita residents as "Auntie" White, succumbed last Thursday at 23801 Narbonne avenue, her home for 13 years. "Auntie" White was 74 years of age and her sterling character and helpful nature made a strong appeal to all who knew her. A practical nurse, it was her wish that she be laid to rest in her white nurse's uniform.

She was born in Iowa and came to the Lomita area in 1909 with her husband, "Uncle Joe" White who passed away 10 years ago. Mrs. White was the first president of the first Lomita P. T. A., and was active in civic and social affairs in the early days of that community. She was survived by her sister, Grace R. Cooper, and a brother, Dan Hogan, who made their home with her; another sister, Mrs. Margaret Cassullo of Los Angeles; three nephews, Bob Cassullo of Torrance and Stanley and Gilbert Cooper of Los Angeles, and a niece, Mary Cummings of that city.

Rosary was said in her honor Sunday night at the A. M. Gamby chapel, with Rev. Father Berry officiating and the funeral mass, with Rev. Father Gannon of Los Angeles, was held Monday morning at St. Margaret Mary church in Lomita. Interment was at Calvary cemetery.

MEN'S BIBLE CLASS
 Meets at 9:30 a. m. Sundays in Boy Scout hall on El Prado. Rev. Ben Lingentler, teacher. All men welcome. Reading room in church edifice.

GRACE TABERNACLE
 1324 El Prado. Rev. and Mrs. L. W. Kolb, pastors.
 Sunday school, 9:30 a. m. Morning service, 11 a. m. Evening service Tuesday and Thursday evenings, 7:30 p. m.

Walteria Youngsters to Plant Gardens

Class groups at the Walteria school will plant a model garden and flower plots under the direction of Principal Natalie Ross, who will also direct the landscaping of the ground in front of the school buildings. A gravel walk with the flower plots along the south side of the school lot is also planned. Kindergarten and first grade children will plant the garden in the school patio. Both garden and flower plots will be used by class groups in the study of plant culture.

Wild Ducks Go Tame
 BIGGS, Cal. (U.P.) — Wild ducks and geese are learning the trick that the best way to escape the game bird's fate at a hunter's hand is to cease being a wild bird and become tamed.

Although the weather in Puerto Rico is too warm for football, thousands of fans there are interested in a sport they never see. Games in the U. S. are closely followed via radio and newspapers.

Five years ago the National Home Appliance Co. came into existence. Its first quarters were about half the size of its present location and were situated only two doors away. Three years ago the store was moved, a larger and more complete stock added.
 Now, as we look back on our first five years of expansion growth, and continued success we are thankful for the splendid support of our many customers and friends. It has been their continued patronage which alone has been responsible for the many good things that have come to us.
